Over 100 Years of Academic Excellence!

"It's the first bill I pay every month. I have no problem paying that money. I enjoy it, and my son enjoys it. I never have to say get up twice. It's a good deal. Best money I have ever spent."

Ty Wade and son, Tywan

"Come and visit the school. Come and see how the children interact, and come on Sunday to see how the families get together. See how it's a very family-oriented environment."

Steve and Karen Crowell and son, Danny

"There are so many good, warm, caring families here, and that's why we love it!"

Linda Raphael

"There is just a real family atmosphere here that makes it feel right."

Cathy McMahon and son, Jimmy

"I just felt a calmness here and that's what she needs, a calm nurturing environment. So, I liked it right away. Her attitude is better. She looks forward to going to school. It's been a great experience."

Tracy Croom and daughter, Kyla

"My older children got a base foundation here that allowed them to be competitive at the high school and collegiate level."

Jeff and Lisa Kroger

"My children are the third generation in my family to go to St. Catharine, so it's a proud feeling to walk down these halls as a parent... They can also talk to their grandmother, and she can tell them stories about what it was like when she went here."
